Krewe of Bogue Falaya
Parades on Tuesday, March 4
Featuring its first signature float the historic
“St. Tammany Special” Train for the 2025 parade

Covington, LA - Join the Krewe of Bogue Falaya (formally known as Carnival in Covington) Parade on March 4, 2025, with Lisa Condrey Ward, owner of the historic Southern Hotel, as Grand Marshal and the “St. Tammany Special” float train celebrating Covington’s heritage, culture, and spirit are celebrated.

On Lundi Gras March 3rd, a second-line parade will start at 4 p.m. from the Bogue Falaya Park, where Ward will arrive by riverboat on the Bogue Falaya River and second-line to the steps of the Southern Hotel, where she will be honored and received by the officers of the krewe and receive the keys to the city by the mayor. This will be followed by a champagne and king cake celebration open to the public,

This year’s parade promises to be one for the history books, merging our past with the present in a way that brings celebration to the Northshore.

The Krewe of Bogue Falaya parade “Movies in Paradise” features 20 floats, 600 riding members, marching bands, and groups to celebrate the 2025 Mardi Gras Day parade.

Please note the parade route. This is a correction from some publications.

See you all on Lundi Gras and Mardi Gras Day!
